THE DIFFERENCE IS YOU

Dear Friend of Life,

We need your help to protect innocent human life from conception to natural death. Your membership is vital to our fight to end abortion, euthanasia, and embryonic stem cell research which always results in the destruction of life.

Unlike Planned Parenthood, we do not receive support from tax dollars. Without your support, the voice for the voiceless throughout Greater Columbus and Central Ohio would be silenced.

The killing of “unwanted” babies, elderly, handicapped and unborn Americans must stop. Please help us in standing up for life!

Sincerely,

Jason
